BABYLON immerses your kids in Bible-times culture.

The reality of God's love gains new meaning and relevance to their everyday life. Plus, they'll have an amazing time trying out new Bible-times crafts, games, songs, and more!

Imagine living in Babylon, where Daniel showed great courage in captivity!

Think how Daniel and his friends felt when King Nebuchadnezzar II invaded Jerusalem and forced them to move to Babylon. You'd be immersed in a foreign culture as you studied in preparation for service to the king. You'd have to learn a new language, eat new food, learn new complicated subjects, and worship new gods. Or would you? No matter the consequences, Daniel and his friends had the courage to remain true to God—with astounding results that have served as examples and encouragement to Christians for thousands of years.

These experiences make God's Word come alive with new meaning!

Each day, your kids will be challenged to share their belief in the one true God—just as Daniel did—with shopkeepers, Ashpenaz (the king's chief of staff), and the Palace Playground Leader.

This Vacation Bible School is open to children entering kindergarten—5th grade in the fall of 2012. We can only accept 144 children and a waiting list will be kept in case of cancellations. We're sorry but we cannot accept phone registrations. Registrations will be collected by the Faith Formation Office, but can be returned to the school or parish offices. Refunds after June 1 are not possible.
