Youth United for Life

The world has many difficult problems

Only by learning the issues
can we find the solutions.
Be the generation.

THE ISSUES:

- **Abortion vs. Adoption**
- **Education and Poverty**
- **Health Care: Rights & Reform**
- **Immigration**
- **The Role of the United States**
- **The Death Penalty**
- **Euthanasia & Assisted Suicide**
- **Care of the Elderly**

Check in at St. Michael by 5:00pm on Friday. This is an overnight retreat so bring your sleeping bag, pillow, etc. *We do not have showers!* We will end by going to the 5:00 Mass on Saturday and we will share a meal afterwards. Please invite your family to join us.

A variety of activities have been planned to make learning the facts interesting and engaging. This retreat will give you a place to ask your questions. Permission forms can be found at www.stmichaelcommunity.org. **Still have questions?**

We are proud to present guest speaker **Yvonne Florczak-Seeman**, president and founder of Love From Above, Inc. Having personally experienced the physical, emotional, and spiritual pain of abortion, Yvonne ministers to post-abortive women through a variety of programs. Her dramatic witness of being an ordinary pregnant 16 year-old girl is one you will not want to miss. Feel free to invite your family or friends to join us on the second floor of the St. Michael Faith Center.
